## **Notice - Boil Order**

**Date:** 1/26/2024, 5:00pm

**Location:** Citywide including Lakewood Shores

Out of an abundance of caution and due to recent flooding of the Kankakee River, the City is issuing a citywide Boil Order for All Persons Serviced by City of Wilmington Water including Lakewood Shores. While under a Boil Order, any water used for drinking and cooking purposes should be boiled for 5 minutes before use. The expected release date of the Boil Order is to be determined.

The Wilmington Water Department will advise you via social media and other media outlets when the boil order has been lifted.

We apologize for any inconveniences that this may cause. For any additional information or questions, feel free to contact the Wilmington Public Works Department at 779-801-2127.

Sincerely,

James Gretencord
